

KEROLOS EID

Front-End Developer | React.js • Next.js • TypeScript

Cairo, Egypt | 01270233635 | kerolos.eid159@gmail.com

LinkedIn: www.linkedin.com/in/keroloseid159 | GitHub: github.com/keto178

PROFESSIONAL SUMMARY

Results-driven Front-End Developer specializing in building modern, responsive, and high-performance web applications using React.js, Next.js, and TypeScript. Proficient in component-driven architecture, global state management (Redux Toolkit), and efficient data fetching (TanStack Query). Experienced in translating UI/UX designs into pixel-perfect web interfaces with clean, maintainable code. Seeking a Junior Front-End Developer role in an engineering-focused team.

EXPERIENCE

Front-End Developer (Project-Based & Contract) | Cairo, Egypt 2024 – Present

- Architected and deployed production-ready web applications focusing on performance optimization, SEO, and maintainable component design.
- Implemented CI/CD pipelines via Vercel for continuous deployment and structured workflows using Git and GitHub.
- Applied clean coding practices and modular component patterns across modern frontend libraries.

EDUCATION

Bachelor of Management Information Systems (MIS)

Al-Alsun Higher Institute for Computer Science & MIS | 3rd Year (Expected 2027)

CERTIFICATES & TRAINING

- Advanced Front-End Bootcamp – UNIX | In Progress
- Focus: Modern React.js, Next.js, Tailwind CSS, clean architecture, and Agile/Git workflows.
- CS50: Introduction to Computer Science – Harvard University
- Front-End Development Certificate – Black Horse Academy | Completed

PROJECTS

VibeStore – E-Commerce Platform | Next.js, TypeScript, Tailwind CSS, Redux Toolkit | [Live Demo](#) | [GitHub](#)

- Built a full-featured e-commerce frontend with SSR, dynamic routing, and fast multi-parameter product filtering.
- Managed complex global state using Redux Toolkit and integrated REST APIs with resilient error handling.

Personal Portfolio | Next.js, TypeScript, Tailwind CSS | [Live Demo](#) | [GitHub](#)

- Engineered a high-performance developer portfolio leveraging Next.js App Router for optimized component rendering.
- Implemented responsive, mobile-first design patterns with clean architecture and seamless ui animations.

FoodHub – Restaurant Ordering App | React.js, JavaScript, Tailwind CSS, Context API | [Live Demo](#) | [GitHub](#)

- Developed an interactive food ordering platform featuring dynamic cart calculations and real-time state updates.
- Architected reusable modular components ensuring consistent UI performance across desktop and mobile screens.

TECHNICAL SKILLS

Frontend: React.js, Next.js, TypeScript, JavaScript (ES6+), HTML5, CSS3

State & Data: Redux Toolkit, TanStack Query, Context API, REST APIs

UI & Styling: Tailwind CSS, Bootstrap, Responsive Design

Tools & Testing: Git, GitHub, Jest, React Testing Library, Postman, Agile/Scrum

SOFT SKILLS

Problem Solving • Team Collaboration • Technical Communication • Adaptability • Time Management

LANGUAGES

Arabic: Native

English: Professional Working Proficiency (Technical)
